13. Report a Bug / Feedback

The **Report a Bug / Feedback** page in SLZB-OS is dedicated to collecting your input to improve your experience with the smart home Zigbee coordinator.

13.1 Purpose

From this page, you can:

1. **Report a Bug** – If you encounter issues or unexpected behavior.
2. **Suggest an Idea** – Share innovative thoughts or feature requests.

3. **Report Incorrect Translation** – Notify the team about any translation errors in the interface.
4. **Provide General Feedback** – Offer comments or suggestions about the product.
5. **Leave Positive Feedback** – Share what you enjoy about the device or firmware.

13.2 How to Submit

1. **Select Request Type**:
   - Report a Bug
   - Suggest an Idea
   - Report Translation
   - Positive Feedback
2. **Write Your Text** – Enter details about the bug, idea, translation correction, or general thoughts.
3. **Optional Contact Details**:
   - Email address – if you want the SMLIGHT team to follow up.
   - Name – optional identifier.
4. Click **Submit**.

13.3 Tips for Useful Reports

- For bugs, include steps to reproduce, what you expected, and what happened.
- Mention your **device model** and **firmware version** (found in the *About* page).
- For translation corrections, specify the language and the exact text that needs improvement.

13.4 Quick Translation Reporting

If you spot a translation issue anywhere in the interface:

- Highlight the incorrect text.
- Press **Ctrl + Enter** to open a quick report dialog.

13.5 Privacy

The information you submit is used solely for troubleshooting and product improvement. Technical data from logs will not include Zigbee/Thread/Z-Wave network keys or passwords!
